

# Politics and History of Israel: From Jewish Peoplehood to Israel's Next 25 Years

You are invited to attend in person or virtually a three part series delivered by Emory University Emeritus Professor Ken Stein. He is one of the world's leading experts of the Modern Middle East and Israel Studies. At Emory for 47 years, he was one of its best teachers. Presently, he is President and Chief Content Officer of the Atlanta based Center for Israel Education.
